This aerial photograph shows a military installation with several technical overlays. A large rectangular area is outlined, containing a central structure labeled '199/14/2m/2'. To the left of this structure is a circular feature labeled '11'. The word 'SOSNA' is written in Cyrillic script near a small structure. Various other labels are present, including '2-199/9', '2-199/10', '1491', '1391', and '1291'. A scale bar at the bottom right indicates 10 meters. The image is a black and white reproduction of a technical document.
